Nevada Check Up Claims Denied in Error Based on Age Restrictions Have Been Reprocessed

Nevada Check Up claims for recipients age 19 and older that processed on or after February 1, 2019, through April 20, 2020, and denied in error with error codes 4034 (Age restriction on procedure coverage rule) or 4254 (Age restriction on revenue code coverage rule) have been automatically reprocessed. Results of the reprocessed claims appear on remittance advices dated November 13, 2020. Claims processed on or after April 20, 2020, do not deny in error with error codes 4034 or 4254.

Please note: When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
